

2023 Student Scholarship – Eligibility & Instructions

Eligibility:

To be eligible, the applicant must be:

1. A dependent child of either an active member in good standing (attends at least five meetings per year) or a direct employee (custodial, maintenance, grounds or clerical) of the Buildings & Grounds Department of a participating member school district. (Note) – The term “dependent child” is defined as natural or legally adopted children, stepchildren or legal wards.
2. Enrolled in or planning to enroll in the Fall Semester of a full-time studies program, leading to either an Associate or Bachelor’s Degree at a fully accredited 2 or 4 -year college. Postgraduate students are not eligible for application.

Applicants must also:

3. Maintain at least a “C” average (or equivalent on a 4-point system).
4. Be involved with school activities and/or extracurricular activities (see application).

Selection Process:

The names of eligible applicants will be placed in a container and randomly selected by a “non-member” and witnessed by the Chapter Officers. Winners will be notified of their selection following the date of the drawing.

All winners must furnish proof of enrollment at a fully accredited 2- or 4-year college (for the Fall 2023 Semester) before the award check can be issued. If proof of enrollment is not received **by September 1st**, the scholarship will be awarded to the next name on the list in the order drawn. Proof of enrollment should come from the bursar’s office of the school where enrolled. Winners will not be eligible to apply for another scholarship for a period of one year (cannot win two years in a row).
